

## Manifestations - S01 00 - Trailer

“Outro” music - Sunshine, by CobyCracker <https://cobycracker.bandcamp.com/>

**Voiceover:** Manifestations is a podcast of the Ostium Network

**Voiceover:** Thank you for downloading our trailer. In our show we'll present the story of Alan. It begins in a familiar place. At his job.

### CLIP 1

*Background: low chatter and office noise fade in*

**The Boss** - Hey Alan, I'm heading out a little early. Traffic through the valley is going to be slow. Route 11 is still down to one lane in Shickshinny because of the fire at J-Angelo's yesterday.

**Alan** - Gotcha, drive safe.

**The Boss** - Don't stay too late.

**Alan** - I won't.

**Voiceover:** And doing daily chores, like shopping.

### CLIP 2

*Background: muzak, conversations, beeping at checkout*

**Scott** - Picking something up for diner?

**Alan** - Oh, Hey Scott. This -- is for the dogs, but yeah. Ethan wants me to pick up some things to make chicken parm for the next family visit.

**Voiceover:** But sometimes, people don't show just how much they're dealing with.

### CLIP 3

**Alan** (*On phone. We only hear one side of the conversation.*)

- Hi Ethan.
- Yeah, I'm okay. I'm a little early, so I'm just sitting here.
- If it was good news, he would have told me over the phone.
- I know. I hope so too.

**Voiceover:** Our story could have continued along this path. But as Alan will discover, he has a special connection to the paths we choose. And those that choose us.

### CLIP 4

**Alan** - There was no light source, but I could see myself. I was floating, maybe flying. There was a definite sense of motion. Was I moving? Or was the “nothing” around me, shooting by? In which direction?

**Voiceover:** Alan has a path that will lead him to a wondrous and shocking discovery. He'll find there is enough hope to save the world. But will there enough to save him?

**CLIP 5**

**Alan** - Something is different this time. My analytical mind wants to categorize and note everything. I remember, me. My name, is Alan. I can't remember when I should be. The memories seem to be from so long ago. Like they're from a story I read and I can't remember all of the details. I'm not sure where I'm going next, but I feel like it's going to change me.
